

## What People are Saying

I wanted to take a few minutes to compliment you on the beautiful pageant. My daughter Blair Rabalais the La. Honey Bee Festival Queen came as a visiting Queen. The entire day was extremely organized and well planned. All of the girls had a great time and my daughter talked about the day the entire trip home. Thank you for making us feel welcome and your Queen is truly blessed to be supported by such a wonderful Director and Staff.

Thanks again,

La. Honey Bee's Mom

We as the Opelousas Spice and Music Royalty invited to the Yam Queen's Day Events convey our many thanks to the board, director of the pageant and day, and the association in general. This is the first event in which we were catered to. The food was fabulous and we really enjoyed the style show, and of course the beautiful home of Mrs Richard. We got to see some of our road buddies as well. We hope your new Yam Queen gets to visit with us in May as we say our farewells.

Sharing Opelousas with you, sincerely,

Ashley Deculus, Miss Opelousas Spice and Music Queen

Elizabeth Landry, Mrs Woman Opelousas Spice and Music Queen

I was honored to be chosen as 62nd Yambilee Grand Marshall. Enjoyed all the functions and parade. Appreciated the care and attention given to me and all who served. Your work is not in vain.

Thanks again,
